

# More V/Line services for the Geelong line

## Eighteen extra services per week

From Sunday 29 January 2017, extra services will run between Geelong/Waurn Ponds and Melbourne.

Additional evening and weekend services will give people more choice and meet the growing demand for public transport in the region. These improvements are the first of more services to be delivered in 2017 as part of the Victorian Government's Regional Network Development Plan.

Some bus and regional coach timetables will be adjusted to better connect with train services. Full PDF timetables will be available from 28 November 2016.
