

More V/Line services for Maryborough

Ten extra services per week

From Sunday 29 January 2017, Maryborough customers will benefit from an extra return service each weekday.

Following community feedback, a morning service from Southern Cross to Ballarat will be extended to Maryborough and a service from Maryborough to Southern Cross will be introduced in the afternoon.

These improvements are the first of more services to be delivered in 2017 as part of the Victorian Government's Regional Network Development Plan.

Full PDF timetables will be available from 28 November 2016.
