

More V/Line services for Shepparton

Five extra services per week

From Sunday 29 January 2017, an extra service will run from Southern Cross Station to Shepparton on weekdays.

Following community feedback, an existing afternoon peak service from Melbourne to Seymour will be extended through to Shepparton to give customers more choice about when they travel. These improvements are the first of more services to be delivered in 2017 as part of the Victorian Government's Regional Network Development Plan.

Some bus and regional coach timetables will be adjusted so they better connect with train services.

Full PDF timetables will be available from 28 November 2016.
