

More V/Line services for the Gippsland line

Ten extra services per week

From Sunday 29 January 2017, an extra return service will run between Melbourne and Traralgon on weekdays.

Additional services will give passengers the option to attend weekday evening events in Melbourne and take the train home. These improvements are the first of more services to be delivered in 2017 as part of the Victorian Government's Regional Network Development Plan.

Some bus and regional coach timetables will be adjusted so they better connect with train services.

Full PDF timetables will be available from 28 November 2016.
