

More V/Line services for Warrnambool

Twelve extra services per week

From Sunday 29 January 2017, extra services will run between Melbourne and Warrnambool on weekdays and Sundays.

Following community feedback, an extra morning service from Warrnambool to Southern Cross Station will be introduced, as well as a return service in the evening each weekday.

On Sundays, a new return service will run during the day.

Additional services will meet growing demand for public transport in the region, support tourism and give people more choice when they travel. These improvements are the first of more services to be delivered in 2017 as part of the Victorian Government's Regional Network Development Plan.

Some bus and regional coach timetables will be adjusted to better connect with train services. Full PDF timetables will be available from 28 November 2016.
